5th Northern Lights Summer Conference

Nanostructures & Their Biomedical Applications Metabolomics, Technologies & Applications

June 20 - 23, 2007
University of Waterloo
Waterloo, Ontario

Theme I: Nanostructures & Their Biomedical Applications Symposia Titles (June 20 & 21)

- 1 Targeted Nano Delivery Systems (Drug Delivery/Gene Therapy)
- 2 Diagnostics and Imaging Applications
- 3 Nanotoxicology and Potential Health Effects

Theme II: Metabolomics, Technologies & Applications Symposia Titles (June 21 & 22)

- 1 Human Metabolomics
- 2 Metabolomics Technologies - Hardware & Software
- 3 Metabolomics in Other Systems

Poster & Oral Presentations, Award Lectures, Scientific Exhibits, Student Activities, Social Events, Travel Awards

Canadian Federation of Biological Societies • Fédération canadienne des sociétés de biologie
The Voice of Life Sciences in Canada • La voix des sciences de la vie au Canada
